About Ängelholm

Ängelholm is a town in the southern part of Sweden that are called Skåne. The city has a population of 41.000. The perfect location close to the sea, forests and hills, enjoying life is easy – every day! The Rönne river floats through the town centre and enters the sea in Skälderviken, adding to the pleasant atmosphere. Six kilometres of sandy beaches, the Kronoskogen forest and the picturesque town centre are other appealing features of Ängelholm.

The town was founded by Danish king Christian II in 1516 and started attracting large numbers of tourists at the beginning of the 20th century, when one of Sweden's first urban summer residential areas – Ängelholm's Havsbad – was planned and built here.

About EBMX club

The BMX club started in 1983. The first track were located in Munka-Ljungby a small town in Ängelholms kommun. 2013 the track in Ängelholm were built by EliteTrax and we have hosted SX Racing European Championship 2013, UCI BMX Supercross World cup 2015 and Nordic Championship 2015.

Rules

The provisions of the UCI's BMX rulebook in its latest version apply with a few amendments in this Technical guide.

The Nordic championship is registered on the UCI calendar and will be arranged in accordance with the UCI rules for BMX racing. The race is a UCI category C1 for championship riders.

All championship and challenge categories scrambled seeding is used, according to UCI rulebook 6.1.027, 6.1.027bis, 6.1.027quarter, 6.1.029, 6.1.029bis with further explanation refer to UCI rulebook 6.1.033, v20190101.

A and B finals in all challenge classes with final rounds (9 or more riders confirmed)

The number of heats during the motos and the number of riders in each such heat shall be determined as per Annex 1, based upon the number of riders entered and confirmed in the category following rider confirmation.

Likewise, the number of riders who will transfer from the motos into the qualifiers or the final (whichever the case may be), will be full gate. However, the riders are randomly distributed through these heats, such that the heats are not the same within each of the three rounds of the motos UCI rulebook 6.1.027quarter.

For more explanation of the scrambled moto and transfer system please refer to UCI rulebook 6.1.033.

To avoid any doubt, during motos, random predetermined gates, time in 3rd moto and in qualifiers determines lane selection for the next round, refer to UCI rulebook 6.1.029bis.

In categories with 5-8 riders, the rider with the highest total points earned in the motos will not be transferred to the final.

Technical Guide

Nordic Championship and Challenge Nordic games 2019

Ängelholm Sweden 2nd and 3rd of August

bmxnordic2019@ebmx.se

Schedule of races and transfer systems for all challenge categories:

Riders	Moto/heats	¼ finals	½ finals	Finals
<8	1	-	-	Drop 1 rider
9-16	2	-	-	A final of 8 riders, B final with minimum 2 riders
17-24	3	-	2x8 riders	A and B finals of 8 riders each
25-32	4	-	2x8 riders	A and B finals of 8 riders each
33-40	5	4x8 riders	2x8 riders	A and B finals of 8 riders each
41-64	6-8	4x8 riders	2x8 riders	A and B finals of 8 riders each

When the Nordic championship is arranged in Norway and Sweden, there will be no finals for the riders 10 years and under. 4th heat in all categories, scramble seeding is used for all motos and random seeding.

On tracks with SX starting gates, the 8 meter starting hill together with pro sections will be used for junior and elite classes. If the junior and elite classes are combined with a challenge class, the 5 meter starting hill shall be used and the pro sections shall not be used.

In case of special conditions (weather etc) the organiser allows PCP to reduce the numbers of motos. This can only apply for challenge classes and never for championship classes.

Equipment:

The use of interlocking pedal-cleat system is allowed for category 13 years and over according to article 6.1.079, v20190101.

All riders must have either a national flag of their country on both their shoulder or a national jersey of their country. Name printed back are allowed but not any number at their jersey.

The race jersey need to be wear during prize ceremony.

Riders eligible to enter the Nordic championship

Junior and elite:

Riders from a Nordic or Baltic country (Norway, Sweden, Denmark, Finland, Iceland, Latvia, Estonia and Lithuania), who is a citizen in a Nordic or Baltic country and holds a license from a Nordic or Baltic federation, can enter the Nordic championship.

Riders from another country can enter the race, but will not be eligible for the championship title. If a rider from a non Nordic or Baltic country enters the race, there shall be two prize ceremonies. One ceremony for the Nordic championship where the non Nordic riders are not included, and one ceremony for the total result of the race.

Challenge:

Riders who are either a citizen in a Nordic or Baltic country, or holds a license from a Nordic or Baltic federation, can enter the Nordic championship.

For avoidance of doubt, all riders entered in the Nordic Championship and challenge games must have a license issued by the national federation of their country of residence. The national federation of each such rider's nationality has the duty to confirm this prior to registration.

Accreditation information

Accreditation before the Nordic Championship for team managers and assistants is not necessary. However, each federation which register riders must appoint a Chef d'Equipe (National team manager) to represent the interest of all its riders. Each National team manager must confirm the presence of each rider as per the preregistration riders list, on scheduled day and times of registration.

Team managers and assistants need to present a licens from the federations at registration, furthermore sign in at the commissaries center. A necklace and card will be provided for team managers and assistants. It's expected the team manager and the assistants are well known with the UCI rulebook in general and this Technical guide in specific.

The maximum number of assistants is based on the number of attending riders.

Riders	Assistants
1-2	0
3-5	1
6-10	2
11-50	2
51-100	3
Host country	5

Team managers should participate at the Team manager meeting.

Team managers and assistants are both allowed to enter the track in case of accident/crash.

Officials:

There will be 2 officials at the finish line as a back up to the timekeeping and photo finish at the finish line. Each country provides one official for the race.
